Rubber Speed Bumps

Size : 60" Long - 16" Wide - 2 1/4" Thick

Rubber Speed Bumps

Application : Traffic Control, Cable Protectors

Rubber Speed Bumps are excellent for traffic control. Their highly visible outline offers protection from contact with low spoilers and bumpers.

A channel underneath allows for water to flow under it or electrical cords and garden hoses to be protected.

The channel is 2" Wide - 1 3/4" High

They can be temporarily or permanently affixed with rebar spikes available for purchase for installation reinforcement.
3 spikes per 5' long speed bump.

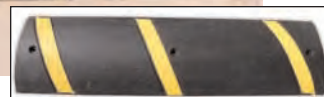

Easy to install over asphalt and packed gravel base

Optimally fastened to ground with rebar spikes

Manufactured with three highly visible, reflective stripes

Causes discomfort after speeds of 10 km/hr

Weight : 34 lbs

EZ Drive Rubber Curb Ramps

Size : 60" long - 16" Wide - 2" Thick

EZ Drive Rubber Curb Ramps

Application : Traffic Control

Rubber Curb Ramp helps prevent spoiler damage and increases the life expectancy of shocks and springs, while greatly reducing occupant discomfort by bridging the gap between your driveway and the street.

Specially designed water groove to prevent gutter block.

Attractive, durable and environmentally friendly.

Weight : 60 lbs

Anti-Vibration Pads

Anti-Vibration Pads - Prolongs Machine Life - Dampens Vibration - Reduces Noise.

- RCA Series Anti-Vibration Mounting Pads - Rubber mounting pads are used to avoid bolting to the floor. Made with high Quality Neoprene
- RCA is to be utilized where minor, non-critical vibration conditions exist. It is normally used below :
 - Pumps
 - Air Conditioning Units
 - Air Compressors
 - Motors
 - Generators etc...

Features : Double sided Ribbed Pad - Ribs are 90 degrees offset on opposite side - 3/8" thick.

- Alternate High-Low Rib Design.
- Simple field installation.

| Thickness | Pad Size | Rib Width | Rib Separation | High Rib | Low Rib |
|-----------------------|---------------------------------|--------------|----------------|----------------|--------------|
| Standard Size 3/8" | 20" x 20" | 0.20" / 5 mm | 0.16" / 4 mm | 0.22" / 5.6 mm | 0.20" / 5 mm |
| Special Order 3/8" | 18" x 18" | 0.20" / 5 mm | 0.16" / 4 mm | 0.22" / 5.6 mm | 0.20" / 5 mm |
| | 12" x 12" | " " " | " " " | " " " | " " " |
| | 10" x 10" | " " " | " " " | " " " | " " " |
